# Counterintelligence Awareness Briefing

# Threat from Foreign Intelligence Services

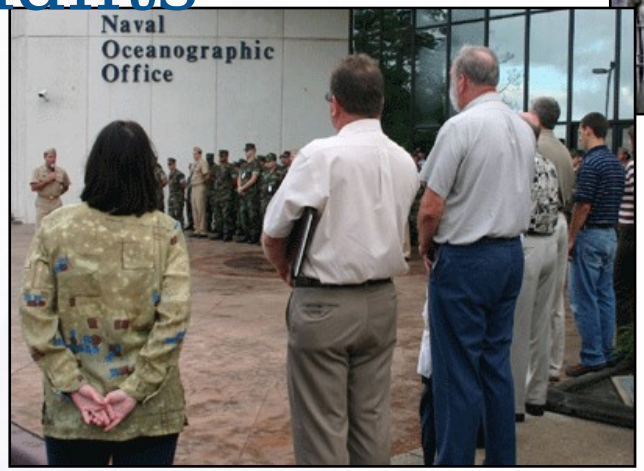
- DON Equities in Japan Remain a Target
- FIS Willing to Target ALL Service Members
- Help Counter FIS Activity by:
  - Requiring Travelers to Specific Foreign Countries to Contact NCIS
  - Recognizing the Signs of Espionage (unexplained wealth / personality changes / unreported foreign contacts / travel)

# What Do They Want?

- Military Capabilities & Tactics
- Ships Movement/Locations
- Knowledge of Secure Areas
- Security Procedures
- Military Intelligence
- National Policy
- DoN Technology

# Who Do They Want?

- Military Personnel
- DoN Civilians
- Military Dependants
- Diplomats
- Students
- Scientists



**Anyone with Access to Classified, Sensitive, or Proprietary Information**

# Why You?

- Placement & Access
  - You work for DoN
- Knowledge of Programs
  - Classified or Not
- Knowledge of Secure Areas
  - On your Base
  - Within your Command

# CYBER Threats

- FIS would love having access to your computer
  - P2P networks can leave your hard drive vulnerable
    - Ship movements
    - Email and chat conversations
    - Unclassified exercise slides
    - Personally Identifiable Information (PII)

# Travel Tips

- Be Aware of
  - Room Bugs
  - Room Toss
  - Monitored telephones
  - What you say in Elevators, Lobbies, Bars
  - Airport Hassles
  - Internet cafes

# Conclusion

- Be Alert To…
  - Things That Don’t Fit or Don’t Look Right
- Be Proactive

Report It…

It Might be the Missing Piece!
